U Panel Specifications

This inexpensive panel is an excellent choice for vertical applications when cost is a factor. Because of the shallow profile, it is not capable of spanning long distances.

- Material: 26ga, 24ga, 22ga steel
- Length: Up to 30'. Extra charges may apply for lengths shorter than 4'
- Attachment: Exposed fasteners, color matched to panel
- Finish: Factory applied Kynar or Siliconized Polyester paint
- Colors: Choose from standard color chart. Choices vary with gauge and finish
- Warranty: 20 years plus. Varies with color and type of paint finish
- Installation: Vertical or horizontal

Fastening pattern:

- Vertical installation: 6 screws per panel at each hat or Zee
- Horizontal installation: 6 screws per panel at each frame
