

Job Title – CAD Drafter (San Andreas)**Description:**

Are you passionate about precision and design? Do you thrive in a dynamic environment where your technical skills contribute to innovative building solutions? RoofScreen Manufacturing, a leader in architectural rooftop screening systems, is seeking a talented CAD Drafter to join our team in San Andreas, CA.

About Us:

At RoofScreen Manufacturing, we specialize in designing and producing customizable rooftop screening systems that enhance the aesthetic appeal and functionality of commercial buildings. Our team is dedicated to delivering high-quality solutions that meet the unique needs of architects, contractors, and building owners nationwide.

Job Type:

- Full Time
- This is an in-office position with the possibility of remote work after training.

What You'll Do:

- Collaborate with engineers and project managers to create detailed 2D drawings of our systems.
- Prepare accurate and timely shop drawings and fabrication documents.
- Review architectural plans, and structural details to ensure designs meet customer and compliance requirements.
- Update and maintain project files, ensuring alignment with company standards and client expectations.
- Participate in design problem-solving, offering creative and practical drafting solutions.

What We're Looking For:

- Proficiency in AutoCAD (experience with SolidWorks, Fusion or Revit is a plus).
- A strong understanding of construction drawings, architectural & mechanical detailing.
- Excellent attention to detail and accuracy.
- Ability to manage multiple projects simultaneously and meet deadlines.
- Strong communication skills and active participation in a collaborative environment.
- An associate degree in drafting/design, or equivalent experience (1–3 years of CAD drafting preferred).

Why Join RoofScreen?

- \$20 - \$30 DOE
- Full-time position
- Competitive compensation based on experience.
- A supportive team atmosphere with opportunities for professional growth.
- A chance to work on exciting and innovative architectural projects.
- Health, dental, and vision benefits, plus 401(k).
- Paid vacation, holidays and sick days.
